

What is "Lighting the Candle?"

"Lighting the Candle" is a HUD funded supportive housing program that helps individuals and families move into permanent housing while providing rental financial assistance for up to 2 years.

What is the program's goal?

"Lighting the Candle's" goal is to help you maintain permanent housing, improve your skills and increase your income level. The program's ultimate goal is to help you be the best you can be financially as well as in the workplace.

What are some of the program's benefits?

"Lighting the Candle" is a community-based program that provides you with case management support. This means you are eligible to receive important services like childcare, job training and even household furnishings.
